

HUMANE SOCIETY
OF BERKS COUNTY

B.A.R.C. At The H.S.B.C.

BEGIN ANIMAL RESCUE CORRECTLY

The B.A.R.C. program is a 4 week basic training class that includes an information packed seminar the first week. Conversations will include an introduction to modern dog training, appropriate dog handling skills and what dog language looks like. **B.A.R.C.** is about getting to know the dog that now lives with you. **Do not** bring your dog to the seminar the first week. The seminar is followed by 3 weeks of hands on training with your new dog. The cost of the B.A.R.C. training program is only \$65 and is available to anyone who has recently adopted a dog here at the HSBC. This offer is not open to the general public.

The B.A.R.C. program runs all year around and begins the first Tuesday of each month. The start time is promptly 6:00 pm (be early) in the lobby of the 11th Street facility in Reading. Registration information is in your adoption package and can also be found on our website. Registration and payment must be submitted to the Humane Society office prior to the start of class.

Sign up for B.A.R.C. and Begin Animal Rescue Correctly.
